

One Code ∞ Opportunities

“1QR” is a QR code comprising information such as product specifications, incentives, certificates, track-and-trace, authentication, etc. Built on GS1 global standard - Digital Link, “1QR” allows stakeholders (e.g., consumers / business partners) to scan the same QR code to obtain varied product information.

Merchants:

∞ Business Opportunities

- ✓ Offer different sales promotions at different times
- ✓ Connect offline & online
- ✓ Unlock China & global markets

Lifting Product

- ↑ **Creditability**
- ↑ **Authenticity**
- ↑ **Safety**

Consumers:

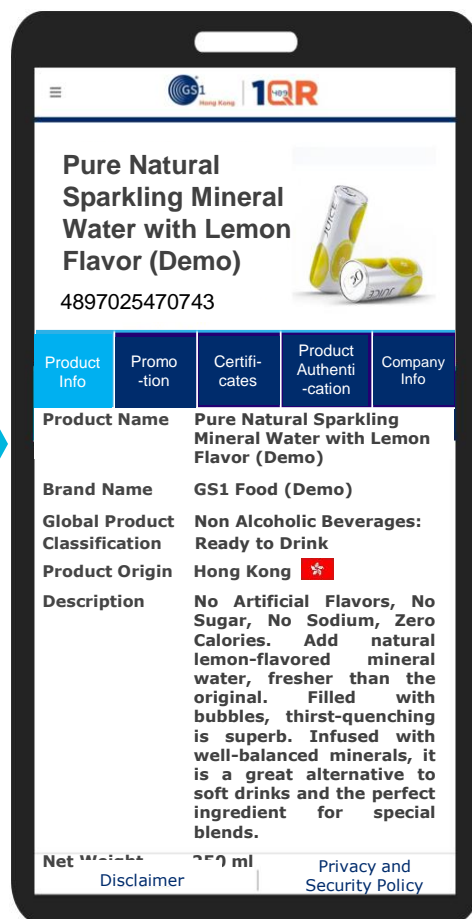

All-round Product Info
